Legal Information

Repair & Support Plan

A Repair & Support Plan provides a range of services to help you get the most from your product and to fix it if something goes wrong. To help you make an informed decision before purchase, we first want to make sure you understand your rights as a consumer.

A few things to consider

You don't have to buy a Repair & Support Plan at the same time as you purchase your new product. You have up to a year to decide. If you change your mind, you can cancel your Repair & Support Plan whenever you like.

Your Repair & Support Plan is provided by DSG Retail Limited and in the event the company ceases trading there is no dedicated financial backing.

If we issue a product replacement voucher your Repair & Support Plan will end and a pro rata refund Repair & Support Plan voucher will be supplied for the remaining duration of the Repair & Support Plan (does not apply to Pay Monthly).

The provision of repairs, instant replacements or other services will not cause your Repair & Support Plan to end.

Other suppliers such as your product's manufacturer may offer an alternative support service. Your household insurance may provide some protection for your product.

There are statutory rights in place that apply to faulty goods. You can find advice on those rights from Citizens Advice.

Compare prices of extended warranties for domestic electrical goods at :

Further information about our Repair & Support Plan can be found in our terms and conditions.
