Insurance Terms & Conditions

Team Knowhow Mobile Complete

When you take out your Team Knowhow Mobile product you enter into two agreements: one with Aviva for your insurance policy and one with Carphone Warehouse for Team Knowhow Expert Support. If one of these agreements is terminated, the other will be terminated automatically. Where cancellation periods shown in the Insurance terms and conditions differ from the cancellation period shown in the Expert Support terms and conditions, the longer period of cancellation shall apply.

Carphone Warehouse only offers products from Aviva and is an Insurance Intermediary acting on behalf of the insurer.

Your Insurance Policy

These are the terms and conditions of your Team Knowhow Mobile Complete Insurance. In them you will find full details of what is covered, what is not covered and the limits and conditions that apply.

Excess

This is the amount you need to pay towards any type of successful claim except breakdown and is shown on your Mobile Complete certificate. We'll collect the payment after your claim has been accepted and before your claim is settled.

Contract of Insurance

These terms and conditions and your Team Knowhow Mobile Complete certificate form the contract of insurance between you and us. Please read them and keep them safe. In return for you paying your premiums, we will provide cover for the phone shown on your Mobile Complete certificate, providing you remain the owner or the lessee under a Carphone Warehouse Flexible Leasing contract, and anyone using the phone complies with these terms and conditions.

Eligibility

To be eligible for Team Knowhow insurance you, the person named on the certificate, must be:

- a. resident in the UK; and
- b. aged 16 years or over

Period of cover

Cover begins on the start date shown on your Mobile Complete certificate. If you pay your premium monthly, cover will continue on a monthly basis, for a maximum of 5 years, unless it is cancelled by you or us before then. If you pay your premium annually, cover will continue for a period of 12 months from the start date. You will have the option to renew your policy each year, subject to a maximum term of 5 years, unless it is cancelled by you or us before then.

Please contact us if you cancel your airtime contract with your network provider or, if your phone is leased, your Flexible Leasing contract ends, as your Team Knowhow policy will not be cancelled automatically.

If we repair or replace your phone, cover will continue on the same basis as prior to the repair or replacement, unless we decide to cancel the cover as described in the 'Cancellation of your policy by us' section.

If at our discretion we settle your claim in cash, we will not be able to continue cover for a replacement device purchased by you, and the policy will be cancelled with effect from the date of the incident which gave rise to the claim.

Things you must do

1. Pay your premiums on time.
2. Take reasonable care to protect your phone and its accessories from being damaged, lost or stolen.

What we'll cover

We will, at our discretion, either replace or repair your phone in the event of:

- accidental loss;
- theft.

We will pay up to £300 for:

Standard accessories supplied with your phone and/or any case, charger, screen protector and/or memory card

purchased from The Carphone Warehouse to be used specifically with your phone, if:

- b. we replace your phone with a different make or model and you can no longer use them.

The replacement phones we provide are refurbished models with a Team Knowhow Warranty provided by The Carphone Warehouse.

Cover applies worldwide providing you remain a UK resident.

We won't cover

1. Theft from an unattended vehicle unless the vehicle was locked and the phone concealed from view.
2. Any claim for theft or loss that occurs whilst the user has deliberately left the phone unattended and unsecured.
 - a. By unattended, we mean the phone is left out of arm's reach, with no one trusted by the user taking care of it.
 - b. By unsecured we mean the phone is left in a place where it can be easily picked up by a person the user does not know without them having to use force and/or violence, except:
 - where the phone is in the private residence of the user or somebody known to the user, whilst the user is also present in that private residence at the time; or
 - where the phone is in the workplace of the user and the user has taken reasonable steps to ensure the phone is not in plain sight.
3. Any incident caused intentionally by you.
4. Any incident that occurred before the start date of this policy as shown on your Mobile Complete certificate.
5. Any breakdown that is covered by the manufacturer's or Team Knowhow warranty, or a claim resulting from a manufacturer's defect or recall of the phone.
6. Any claim due to modification, maintenance, repairs and/or any process of cleaning and/or restoring.
7. Cosmetic enhancements you've made to your phone, for example plating or embellishment with precious metals, stones or crystals.
8. Stored information, including (but not limited to) any data, downloads, videos, music and applications and any costs relating to the retrieval of data.

13. Any consequence whatsoever which is the direct or indirect result of any of the following, or anything connected with any of the following, whether or not such consequence has been contributed to by any other cause or event:
 - a. War: Any war, invasion, act of foreign enemy, hostilities or a warlike operation or operations (whether war be declared or not), civil war, mutiny, rebellion, revolution, military rising, insurrection, civil commotion, assuming the proportions of or amounting to an uprising, military or usurped power;
 - b. Terrorism;
 - c. Any action taken in controlling, suppressing or in any way relating to war or terrorism.

Making a claim

1. To claim for damage or breakdown, please bring your phone to a Carphone Warehouse store so we can assess it and arrange a repair or replacement. If you are unable to bring your phone into a store please call us on **0800 049 0221**. If the incident happens outside the UK, we will not be able to deal with your claim until the phone is in the UK and available for assessment.
2. To claim for loss or theft, call into any Carphone Warehouse store, visit www.teamknowhow.com/insurance/contact or call **0800 049 0221**. Replacement phones will only be sent to UK addresses.
3. If your phone has been lost or stolen we will need verification from your network provider that the phone has been blocked. We recommend you contact them as soon as possible as this will also limit any charges you may incur for unauthorised use. Please speak to your network provider for more details about charges you may incur.
4. If your phone has been stolen, you must report it to the police, and request a crime reference number (CRN) before your claim is submitted. You will be required to provide the CRN to substantiate your claim. If you cannot obtain a CRN, please call us on **0800 049 0221**.
5. You should make any claim as soon as possible.
6. For damage and breakdown claims, if your phone is security protected, you will need to remove this protection before we can process your claim. E.g. Activation Lock on iPhones.
7. Where we accept your claim, we will at our discretion either provide a repair to your existing handset or replace your phone. If it is not possible to replace your phone with the same make and model as your original phone we will provide an alternative phone determined by us that may be a different colour or model, or be made by a different manufacturer. This may mean the features and functions will differ, but the replacement will be of a similar specification to your original phone. In the event that we're unable to source a suitable replacement we will, at our sole discretion, make a settlement in cash based upon the cost of a like-for-like replacement.
8. Replacement phones will not include any stored information you added to your original phone, including (but not limited to) any data, downloads, videos, music or applications. This may also apply if your phone is repaired.
9. Our replacement phones are refurbished models which come with a Team Knowhow warranty provided by the Carphone Warehouse. The Team Knowhow warranty will match either the period of time you had left on your original phone's manufacturer's warranty or 12 months, whichever is greater. Cover for breakdown under your insurance policy will resume when the Team Knowhow warranty expires. For further information about the Team Knowhow warranty including how to make a claim on the warranty, please see the Expert Support terms and conditions.
10. You may be required to provide information, documents or receipts reasonably necessary to support and/or verify your claim.
11. If, at the time of an incident, there is any other insurance covering the same loss, we are entitled to approach that insurer for a contribution.
12. Once we have settled your claim, the original phone will become our property. Where a lost or stolen phone is recovered you may keep the replacement phone we provided you with, but the recovered phone must be returned to us.

Changes to your policy

Changes we need to know about

You must take reasonable care to provide complete and accurate answers to any questions we ask when you take out or make changes to your policy.

You must tell us about the following changes:

- a. you no longer own or lease the phone;
- b. the phone has been replaced under the manufacturer's warranty. In this case, please provide us with proof of the replacement, including the new IMEI number, from the manufacturer;
- c. you are no longer a UK resident;
- d. you change your mobile phone number;
- e. you change your home or email address;
- f. you change your bank details (if you pay monthly).

If the information provided by you is not complete and accurate we may cancel your policy immediately and/or refuse to pay a claim. If you do not inform us about a change it may affect any claim you make.

Changes we may make to this agreement

After taking a fair and reasonable view and no more than once in any 12 month period, we may make changes to your premium, policy cover and/or terms and conditions of insurance, to:

- a. reflect changes in our expectation of the future cost of providing cover;
- b. reflect changes (affecting us or your policy) in the law or regulation, or the interpretation of law or regulation or changes in taxation;
- c. reflect decisions or recommendations of an ombudsman, regulator or similar person, or any code of practice, with which we intend to comply;
- d. make them clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Your premiums may go up or down but will not recover past expenses.

If you pay annually, we will notify you of any changes we are making to your policy when we contact you at renewal of your policy. Changes will become effective from your renewal date.

If you pay monthly any change made under this section will be notified to you in writing at least 30 days in advance. You are free to cancel your policy in accordance with the 'Cancellation of your policy by you' section.

Canceling your policy

Cancellation of your policy by you

1. If you cancel within the first 14 days you will receive a full refund of premiums paid (unless you have made a claim).
2. If you have made a claim or you wish to cancel after the first 14 days, you can cancel your policy from the end of any insured month, by giving notice that you wish to cancel before the end of that month.

The insured month is the month beginning on the date your policy starts and ending on the same date of the following month, and each subsequent month after that.

You will be entitled to a proportionate refund, calculated on the number of unexpired, insured months remaining for which you have paid.

3. If you no longer wish to insure the phone named on your certificate you can provide notice to cancel your policy by calling **0800 049 0221** or by writing to us at Team Knowhow, PO Box 358, Southampton SO30 2PJ, or online at www.teamknowhow.com/insurance/contact
4. Alternatively you can visit any Carphone Warehouse store where one of our experts will be happy to help you.

Cancellation of your policy by us

1. We (or any agent we appoint and who acts with our specific authority) may also cancel this policy for any valid reason. Valid reasons include, but are not limited to:
 - a. Where a premium is not paid on time (as required in 'things you must do 1'). If this happens we will contact you by letter or email to notify you of this. If the payment is not received within 14 days from the date of the letter we will cancel your policy from the date the premium was due without the need for us to give any further notice to you. We may, at our discretion, allow this policy to resume where a payment is made after this 14 day period, but we are under no obligation to do so.

- b. If you use your phone to commit a crime or to allow any crime to take place we will cancel your policy immediately and notify you of this in writing.
- c. Where we reasonably suspect fraud or where you have failed to provide us with complete and accurate information as required by the Changes we need to know about section we may refuse any claim and cancel your policy immediately. Where your actions are deliberate or reckless you will not be entitled to a refund. We may also take legal action against you.
- d. If we replace your phone following a claim, we may, after considering your previous claims history, including:
 - Number of claims
 - Frequency of claims occurrence
 - Circumstances of the claims, including taking reasonable care to protect your phone from theft, loss or damage decide that we are not willing to continue providing cover in respect of the replacement phone. If this happens we will notify you in writing.
2. Unless otherwise stated above, if we cancel your policy we will give at least 30 days written notice to the last known home or email address you have provided to us.
3. Unless otherwise stated above, if we cancel your policy you will be entitled to a proportionate refund of the premium you have paid based upon the number of unexpired insured months remaining on the policy for which you have paid.

Data Protection – Privacy Notice

Personal Information

The data controller responsible for this personal information is Aviva Insurance Limited as the insurer of the product. Additional controllers include Carphone Warehouse Limited, who are responsible for the sale and distribution of the product, and any applicable insurers, reinsurers or brokers we use.

The Insurer collects and uses personal information about you so that we can provide you with a policy that suits your insurance needs. This notice explains the most important aspects of how we use your information but you can get more information about the terms we use and view our full privacy policy at www.aviva.co.uk/privacypolicy or request a copy by writing to us at Aviva, Freepost, Mailing Exclusion Team, Unit 5, Wanlip Road Ind Est, Syston, Leicester LE7 1PD.

Personal information we collect and how we use it

The Insurer will use personal information collected from you and obtained from other sources:

- to provide you with insurance: we need this to decide if we can offer insurance to you and if so on what terms and also to administer your policy, handle any claims and manage any renewal,
- to support legitimate interests that we have as a business. We need this to:
 - manage arrangements we have with our insurers, reinsurers and brokers we use, and for the detection and prevention of fraud,
 - help us better understand our customers and improve our customer engagement. This includes profiling and customer analytics which allows us to make certain predictions and assumptions about your interests, make correlations about our customers to improve our products and to suggest other products which may be relevant or of interest to customers,
- to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
- to carry out other activities that are in the public interest: for example we may need to use personal information to carry out anti-money laundering checks.

We may also use personal information about other people, for example family members you wish to insure on a policy. **If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice.**

The personal information we collect and use will include name, address, date of birth, contact, financial information and details of the device. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the health or any unspent offences or criminal convictions of you or somebody else covered under the policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. We'll ensure that we only use that information where we need to for our insurance purposes (including assessing the terms of your insurance contract, dealing with changes to your policy and/or dealing with claims).

There may be times when we need consent to use personal information for a specific reason. If this happens we will make this clear to you at the time. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the "Contacting us" details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purposes(s). This would not affect our use of the information where consent is not required.

Of course, you don't have to provide us with any personal information, but if you don't provide the information we need we may not be able to proceed with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

Credit Reference Agency Searches

To ensure the Insurer has the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, the Insurer may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. The Insurer or their agents may:

- undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossessions). Similar checks may be made when assessing claims.

The identity of our Credit Reference Agency and the ways in which they use and share personal information, are explained in more detail at www.transunion.co.uk/crain.

Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms. In particular, we use an automated underwriting engine to process the personal information you provide as part of this application process. This will include information such as your, age, address and details of the device you wish to insure. The automated engine may validate the information you provide against other records we hold about you in our systems and third party databases, including public databases. We may also supplement the information you provide us with information from third parties (including Carphone Warehouse) who can provide more information about you or your device. We do this to calculate the insurance risk and how much the cover will cost you. Without this information we are unable to provide a price that is relevant to your individual circumstances and needs. We regularly check the way our underwriting engine works to ensure we are being fair to our customers. After the

automatic decision has been made, you have the right to speak to someone from Aviva who may review the decision and provide a more detailed explanation. If you wish to invoke this right please contact us at dataprt@aviva.com or call us on **0800 049 0221**.

How we share your personal information with others

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes, for example the IMEI Blacklist following a successful claim for the theft or loss of the insured device.
- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements. They will use your data to decide whether to provide reinsurance and insurance cover, arrange and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area ("EEA"). We'll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. For more information on this please see our Privacy Policy or contact us.

How long we keep your personal information for

We will keep your information for as long as you are a customer. We maintain a retention policy to ensure we only keep personal information for as long as we reasonably need it for the purposes explained in this notice. We need to keep information for the period necessary to administer your insurance and deal with claims and queries on your policy. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes.

Your rights

You have various rights in relation to your personal information, including the right to request access to your personal information, correct any mistakes on our records, erase or restrict records where they are no longer required, object to use of personal information based on legitimate business interests, ask not to be subject to automated decision making if the decision produces legal or other significant effects on you, and data portability. For more details in relation to your rights, including how to exercise them, please see our full privacy policy or contact us – refer to the "Contacting us" details below.
